

## FEATURES

### MACHINES INCLUDED

Compact laundry container consisting of:

- 18 Kg washing machine
- 8 Kg washing machine
- 18 kg tumble dryer

Electric boiler for hot water (capacity 80 litres).

Possibility of adding the **DOMUS LAUNDRY KIOSK**, the new payment centre with 12' digital screen, which supports contactless payments by card or with smart devices (NFC).

Reduced installation power, only 17kW.

A single connection point for mains electricity, water and drainage at the bottom of the container. Large area to be able to adapt to the installation.

Winter pack option recommended for ambient temperatures below -10°C.

## TOUCH II

All machines include TOUCH II, with 7' colour touch screen, fully programmable and easy to use. Menus available in 37 languages.

## CONNECTIVITY

**DOMUSCONNECT**- Standard and free connectivity.

The IoT solution allows you to manage your compact laundry, creating discount programmes for customers, view statistics, etc.

Remote payment: via **DOMUS LAUNDRY App**, allows payments via QR code, promotions and machine reservation.

## VERSATILITY

Made to measure: the containers can be customised.

Ready for easy transport by Fenwick from below or by crane thanks to the 4 lifting points on the container.

### APPLICATIONS

Petrol stations, carwash tunnels, mining or oil fields, public car parks, multitudinous events, supermarkets, investors, campsites, military, natural disasters, fire zones, etc.

## ROBUSTNESS

Structure made of galvanised steel with skinplate fairing.

Safety glass composed of 5mm glass, polyvinyl butyral film and another 5mm glass film.

## EASY MAINTENANCE

Easy and ergonomic access for technicians and chemicals companies side and rear panels.

Equivalent parts: many key parts are the same for all models (contactors, electronic parts, motor...).

Easy access to components for reparability via front, side and rear hinged panels.

Technical menu: telemetry, fault diagnosis, etc.

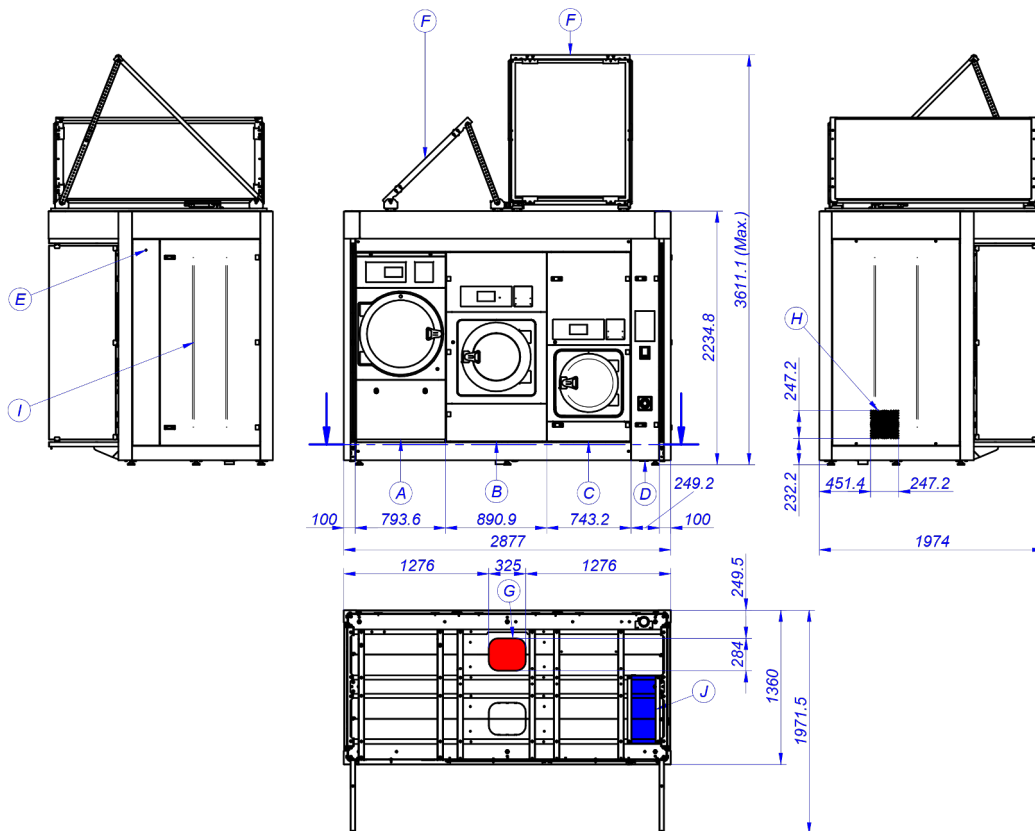

## OPTIONS

- Integrated central pay 12" DOMUS LAUNDRY KIOSK
- Front advertising light box C&M
- Back advertising light box C&M
- Solar panels for Clean&Move
- Maritime packing for Clean&Move
- Winter pack C&M
- Domotics system
- 230V III 60Hz for C&M
- Several payment systems for self-service
