

## FEATURES

### PUN-C/PUN-C&P

DOMUS automatic presses are easily operated thanks to their pneumatic system.

They feature new higher power pressing, fully adjustable, and a variety of bucks for specialist applications. The wide opening bucks, facilitate both the pressing operation and the use of the steam iron.

Operation of the press head is controlled by buttons. In this case, to ensure operator safety, a safe-hands protection frame is fitted to the press head. The presses are available either completely boiler, vacuum and compressor unit as required, or for central supplies operation.

Universal board size: 1.180 x 380 x 220 mm.

Connection: 400V III+N / 230V III / 50Hz.

### PUN-C

- **Utility buck**, up-steaming lower buck and upper buck, optional plished upper buck.
- Board dimensions: 1.170 x 360 x 220mm.

### PUN-C&P

- **Collar & Cuff bucks**, up-steaming lower buck.
- Polished upper buck.

## OPTIONS

- Spotting vacuum arm
- Group of iron + pedal
- Spray gun for steam
- Polished upper buck
